Itinerary

AM 9:00: Check-in at the reception of Sunday Planning Lodge Grampia by the Lake Nojiri. Get dressed and prepare.

AM 9:30: You and your instructor will meet and the course begins. Your instructor will give you some tips of kayaking and paddling on the ground at first, and then we will move to the water. It is much easier to control touring kayak than whitewater kayak, so all you have to do in the boat is some paddling and to enjoy and feel the nature!

AM11:30: Enjoy our warm and hearty lunch and take a rest for a while.

PM1:30: Afternoon lesson resume. In the afternoon we will head to the Benten Island in the Lake Nojiri, which we can't land without a boat. It is about 1.2km long from the point where we will start.

PM3:30: The program ends. Take hot shower and get dressed!

PM4:00: SAYONARA to the Lake Nojiri or relaxing overnight stay at the Lodge Grampia!
